

Kapitel 3

Verwendungsausschlüsse

I. Allgemeines und Hinweise

a) Es wird die Verwendungsfähigkeit für die verschiedenen Verwendungsmöglichkeiten, die gemäß der Personalanforderungstabelle der Bundeswehr (PersAnfTabBw) zu besetzen sind, für wehrdienstfähige Wehrpflichtige im Rahmen der **Musterungsuntersuchung** und für Bewerber und Bewerberinnen um eine Einstellung als Soldat/Soldatin (SaZ) auf Zeit bei der **Annahmeuntersuchung** in den Zentren für Nachwuchsgewinnung festgestellt.

b) Die von den Teilstreitkräften/MilOrgBer vorgegebenen Anforderungsprofile für die einzelnen Verwendungen wurden in Gesundheitsziffern (Soll-Profil) umgesetzt. Diese sind in den Nummern 302 – 346 festgelegt. Auf Seiten 347 – 348 ist der Verwendungsausweis abgebildet.

Die ärztlicherseits vergebenen Gesundheitsziffern gemäß Anlagen 3.1 und 3.2 bedingen den Ausschluss bzw. die Nichteignung für die dafür jeweils aufgeführten Verwendungen/Anforderungssymbole, welche auf dem Verwendungsausweis (San/Bw/0111) unter Teil B ausgekreuzt werden.

Bei dem „T 6“ liegen die Gesundheitsziffern der Anlage 3.2 zu Grunde. Hier sind auch die IVer Gradationen mit den entsprechenden Ausschlüssen auf dem Verwendungsausweis zu belegen.

Für Offizierbewerber gilt die Anlage 8.

c) In Einzelfällen bei musterungsärztlichen Untersuchungen, in der Regel bei der Annahme- und der Einstellungsuntersuchung, sind neben der ZDv 46/1 die für die betreffenden Teilstreitkräfte geltenden speziellen Verwendungsfähigkeitsbestimmungen, die Fachdienstlichen Anweisungen Generalarzt Heer, Generalarzt Luftwaffe, Admiralarzt Marine und InspSan anzuwenden.

d) Werden bei der Einstellungsuntersuchung oder Annahmeuntersuchung Gesundheitsziffern festgestellt, die die Verwendung in der vorgesehenen Ausbildungsreihe ausschließen, kann von dem SanOffizier der personalbearbeitenden Stelle, mindestens in der Dienststellung eines Divisionsarztes/Beratenden SanOffiziers, eine militärische Ausnahme (FA InspSan D 01.01) für die Verwendung in der vorgesehenen Ausbildungsreihe erteilt werden.

Im Ärztlichen Dienst des Wehrrersatzwesens erfolgt die Erteilung einer ärztlichen Ausnahme gemäß FA InspSan C 40.04.

Die ärztliche Ausnahme soll nur erteilt werden, wenn trotz körperlicher Behinderung der Einsatz in bestimmten Funktionen möglich und keine zusätzliche gesundheitliche Schädigung des Soldaten oder eine Gefährdung der Umgebung zu erwarten ist.

II. Übersicht über die Verwendungen und deren ausschließende Gesundheitsziffern

Übersicht über die Verwendungen (Anforderungssymbole) und deren ausschließende Gesundheitsziffern
